Camp-let trailer tents

In English, Camp-let means "camp easily" and that's exactly what a Camp-let trailer tent allows you to do. It's easy to put up and takes very little of your time. Isabella Camp-let is compact when folded up and packed away, yet spacious when put up. It has a unique Scandinavian style and look, and is ready to accompany you on your magnificent outdoor adventures.

Isabella Camp-let is a trailer tent created to allow you to enjoy camping in close contact with nature without having to forego a kitchen, high quality bedding, a large living area, plenty of room for luggage and much more besides.

Quick setup – 3 simple steps

Three simple steps and a matter of minutes – and you're ready to enjoy your holiday. A built in spring system means one person can open a Camp-let with no need for additional assistance.

1 The built in kitchen swings out to allow use whenever and whereever you stop.

2 The trailer opens up. A practical spring system helps you open and close the trailer.

3 The large awning and sleeping compartments open in a single step.

T@B Sun Canopy

The sun canopies are specially designed for the T@B model 320 and T@B model 400

Optional extras - for your Camp-let

SUN CANOPY LIVING

The suncanopy is made of acrylic and has a large opening for shade and shelter. The sun canopy measures approximately 2.1 metres out at the front and is 4 metres wide. You will get less sun and wind in the awning, and it gives you an extra place to relax on thosechilly summer evenings. On hot sunny days, you can partially zip offthe sides to give you a "half" opening in the sides.

· Dimensions: L83 x W157 in.

CAMP-LET ANNEX

Get extra space in the awning with the guest annex, which is mounted on the side of the awning. The guest awning can be used for two extra beds, a playroom for the children, a room for the dog or extra storage space.

- · Dimensions: L75 in. W51 in. = 27 ft².
- · Weight: 22 lbs
- · Material: Acrylic with clear PVC windows and waterproof PVC groundsheet.

BICYCLE RACK

Bring your bike with you on the Camp-let and enjoy an active holiday. The bicycle rack can be mounted on the roof of the Camp-let the whole time. If you don't have your bikes with you, it can be laid down when not in use. You can choose a bicycle rack for 2, 3 or 4 bicycles, which fits models from 2012 on wards.

- · Dimensions: 27 in. tall
- · Material: Lightweight aluminium
- · Weight: 15 lbs with a maximum load of 33 lbs per bicycle

Get more room for your luggage in the trailer with a lightweight roof box, which is attached to the lid of the Camp-let -either on the roof rack or on the aluminium tracks.

· Dimensions:Small 35 x 24 in. Large 61 x 37 in.

MATTRESS TOPPER

This luxurious mattress topper offers additional comfort.

Isabella furniture and accessories

Isabella offers a wide selection of stable, but lightweight camping furniture. All furniture can be folded to take up a minimum of space.
